

# How does Swimco help pool owners ??

*Swimco helps its clients look after their pools in many different ways.*

*Our services range from breakdown callouts to complete care schemes when we look after pools in their entirety, and then all the client does .....is swim!*

**With top quality service schemes !!**

*Swimco Service Schemes are designed to make life easy for pool owners.*

*Our trained, experienced engineers take on those pool care tasks that you choose not to do!*

**At affordable prices !!**

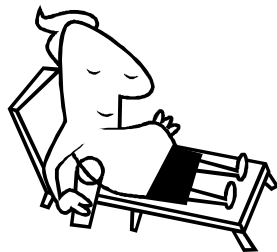

*We don't have pricey contracts*

*We only do the work you want us to do!*

*And that is all you pay for!*

*All our prices for chemicals, covers etc are discounted*

*Low prices up to 55% from list!*
